

**Dr. Dilip Kumar Pratihar** is currently a Professor in the Department of Mechanical Engineering, IIT Kharagpur, India. He received his BE (Hons.) and M. Tech. from REC (NIT) Durgapur, India, in 1988 and 1994, respectively and Ph.D from IIT Kanpur, India in 2000. He visited Darmstadt University of Technology, Germany, for his post-doctoral study under the Alexander von Humboldt Fellowship, Germany. Besides several scholarships, he received the University Gold Medal, A. M. Das Memorial Medal, Institution of Engineers' (I) Medal. His areas of interest include Soft Computing, Robotics and Manufacturing Science. He has guided 16 PhDs and 43 MTech students. He has published more than 190 papers/book chapters and 6 books. His textbook on "Soft Computing" has been translated into Chinese language also. He has jointly edited one book on "Intelligent Autonomous Systems", which has been published by the Springer-Verlag, Germany. Recently, he has co-authored another textbook named "Analytical Engineering Mechanics". He has co-authored two reference books on "Modeling and Analysis of Six-legged Robots" and "Modeling and Simulations of Robotic Systems Using Soft Computing". More recently, his another textbook named "Soft Computing: Fundamentals and Applications" has been published. He is a member of Editorial Board of 16 international journals. He is a Fellow of Institution of Engineers (I); Member of IEEE and Member of AMM.
