

Prof. Somenath Biswas, born at Chittaranjan, West Bengal, on 23 June, 1952, had his schooling at Chittaranjan. Obtained his B.Tech (Electronics and Electrical Communication Engg.) from IIT Kharagpur in 1973, M.Tech and Ph.D in Computer Science, both from IIT Kanpur, in 1976 and in 1980, respectively. He joined the faculty of the Computer Science and Engineering Department of IIT Kanpur in 1980, where recently he was the Sanjay and Rachna Pradhan Chaired Professor. He is a Fellow of the National Academy of Sciences, India. He has been a Visiting Associate Professor at the Aarhus University (1989) and a Visiting Professor at University of Nebraska, Lincoln (1999). He has been the Department Head (1986{87, 1995{97), and the Dean, Faculty Affairs (2005{07), IIT Kanpur. Has been the President of the Indian Association for Research in Computing Science (2000{2002). Has supervised four PhD and about 45 MTech theses.

Research interest: computational complexity theory, randomized algorithms, computational biology, logic in computer science.

Prof. Somenath Biswas is currently the Director of IIIT Allahabad.
